

December 22<sup>nd</sup>, 2025

Due to continued increased cost of raw & supplied materials, Heat Transfer Product Group is announcing a price adjustment on all refrigeration equipment, options, accessories & parts of 3% effective March 2<sup>nd</sup>, 2026. In addition to this increase, our freight allowed policy will be adjusted from a net price value of \$10,000 to \$12,000.

Orders received prior to this date, for standard lead times, will be accepted at current price levels.

- Equipment & Parts Pricing will be available in Excel upload formats by January 7<sup>th</sup>, 2026.
- RapidSpec Pricing will be updated by February 16<sup>th</sup>, 2026.
- PDF Price Books will be available prior to the scheduled adjustments effective date.

We truly value your business and are here to aid you in serving your customers. As your partner, we endeavor to help your business thrive now and in the future.

Thank you for another year of your continued support of HTPG.

Sincerely,

A handwritten signature in black ink that reads "Mark Evans".
